- Learn to transcend inner conflicts and outer challenges regarding sustainability, livelihood and relationships with money.
- In addition to greater ease and success mediating conflicts, many participants in John's trainings report accelerated development in their NVC skills, capacity for presence, and personal growth within themselves and their relationships.

*Suggested prior NVC experience: A 'Foundations of NVC' workshop or weekly class or equivalent.*

### *About John Kinyon*

John has been facilitating Nonviolent Communication training (NVC, also known as Compassionate Communication) for over 10 years and leads the Training Team for the Center for Nonviolent Communication (CNVC), offering trainings on behalf of CNVC and NVC founder Marshall Rosenberg, when he is not available. Specializing in conflict mediation, he has experienced the power of NVC mediation in challenging cultural and political circumstances, working with tribal leaders along the Pakistan-Afghanistan border shortly after 9/11 and the subsequent U.S. bombings in the region.

John's NVC mediation training includes telecourses, workshops, residential retreats, and year-long training programs in the U.S. and a growing number of countries around the world. Visit [www.JohnKinyon.com](http://www.JohnKinyon.com) and [www.CNVC.org](http://www.CNVC.org).
